2 MINUTE PROCEDURE

2 Minute Clock Rules

On the Snap
-Charged time out
-Change of possession
-Incomplete passes
-Touchbacks
-2 minute warnings
-Backward fumble out of bounds
-All penalties (declined and accepted)
*Penalties that cause the clock to stop – On the whistle

On the Whistle
-Measurements
-Pile Ups
-Undue delay in spotting the ball
-Forward fumble out of bounds
-Backward lateral out of bounds

- Injury with no Timeout will result in a 10 second run off

-If contacted by a defender, the ball carrier must be going forward when he goes out of bounds or the official will not stop the clock.

- "Kill..Kill" - O/S WR's on the ball – everyone facing forward

2 Minute Operation

- We will alert on the sideline when to go 2 minute mode (stay in no huddle until QB calls for the huddle)

- After the first play is complete outside WR will stay on the side they started & inside WR (Y/F) will adjust to formation strength call by the QB

- WR's must know CONCEPTS as a whole because you could be on the frontside or backside

- We are playing the clock – not fighting for more yards – eliminate piles & always hand the ball to the umpire to save as much time as we can

- Alert for two plays in the huddle or two calls (concepts) - EX: Dixie/Devil check

Formation: G Trips RT / LT
G Empty RT / LT

Protection: 66 / 67 – 76/77
52 / 53

Routes: Code words

Snap Count: We will use "Go" or "Silent 1"
- The RB must tell the OL which side you are on (Ex: Backs LT)

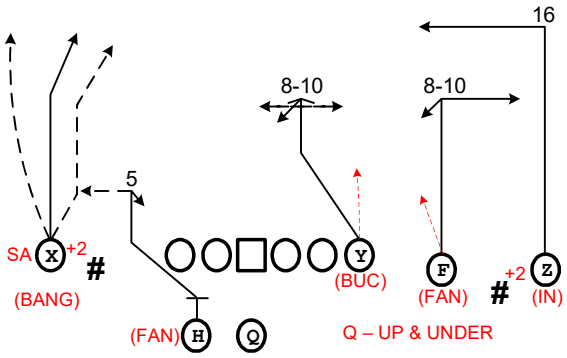

Ex: "Right, Right...Jet, Jet...Set Go"
"Left, Left...Devil, Devil...Set Go"

2 MIN CALLS : Devil, Dixie, Choice, Sailor, Jet, Dig, Frisco, Tier
